

Organic
Pelee Pure
Rosé

TECH DATA:

Alcohol: 11%

Sugar Code: (1)

Residual Sugar: 7 G/L

Grape(s): Riesling, Bianca, Cabernet Franc

Pelee Island Winery prides itself on consistently producing exceptional wines in an ecologically conscious manner. The winery first planted organic grapes in 2009 on a 10-acre vineyard plot situated on Parson's Road vineyard, Pelee Island. Organic grapes are grown without the use of synthetic fertilizers, herbicides, insecticides, and fungicides. The wine is made naturally, without the use of yeasts and the minimum standard of sulfur dioxide (sulfites).

- Certified Organic (Procert)
- Certified Vegan (Vegecert)
- New Product

TASTING NOTES:

Pelee Pure Organic Rosé is medium salmon in colour with a nose of watermelon and lychee. The palate is light in body with notes of fresh raspberry and strawberry with a long, balanced finish. Enjoy with olive and garlic tapenade or margherita pizza.
